FOR IMMEDIATE RELEASE

RAMADA PLAZA BY WYNDHAM MELAKA SHARES THE NEW YEAR WITH GIFTS TO THE UNDERPRIVILEGED.

Ramada Plaza by Wyndham Melaka was delighted to share the joy of the brand new year by visiting two underprivileged homes to present and deliver the gifts which had been graciously purchased by our hotel guests and patrons through our Christmas Wish Tree project.

Hotel management and associates paid a visit to the respective homes namely; Yayasan Sunbeam Melaka, Alor Gajah and Hope Children's Home Bukit Baru recently, much to the delight of the children who eagerly opened their gifts amidst squeals and laughter. They were also each given goodies bags to add on to their cheer.

"It is our joy and privilege to share and help in fulfilling the wishes of these young children and light up their new year with a joyful start", said, Mr. Klaus Sennik, General Manager of the hotel. "We believe in sharing and bringing the season's cheers to the less fortunate which remains one of our core values" he added.

Prior to this, the wish of each child had been given to us by the respective homes to be hung on our Christmas tree located at the hotel lobby. Guests and hotel associates were invited to join in supporting the noble and heartfelt cause by purchasing a gift and fulfilling the wish of a child which saw a tremendous outpouring of support and response from both hotel guests and associates who purchased and beautifully wrapped the gifts with special messages for the individual children from the respective homes. This was also part of the hotel's Corporate Social Responsibility project which was supported by the hotel's very own CSR club known as the Ramada Caring Club who presented the kids with the goodies bags in addition to the gifts.
